

# SUPERFICIAL SKIN INJURIES DUE TO WEARING YOUR FACIAL MASK?

*"My skin felt very painful and irritated because of wearing my mouth mask. Flamigel soothed, cooled and healed my skin quickly. I would absolutely recommend it to friends and colleagues!"*

*H. Hood, Tissue Viability Nurse, Chelsea and Westminster Hospital Trust, London, UK*

## Flamigel®

## How to apply Flamigel®

Step 1  
Wash and dry your hands before use.

Step 2  
Carefully apply a thin layer of Flamigel® to the affected area of skin. Do not rub in.

Step 3  
Re-apply your face mask when Flamigel® is absorbed.

Flamigel® is a hydro-active colloid gel for the treatment of minor wounds which supports fast healing of skin by creating an optimal moist healing environment.

- Cools and soothes the skin
- Non-sticky and non-greasy
- Heals wounds up to 40% faster
- Creates a protective skin barrier
- Fragrance free
